The Club Race Experience

It's time again for the Texas Two-Step 2012 PCA club race and the fine hospitality that the Lone Star Region PCA brings to our club. Each year we raise the bar and this year is no exception. In addition to all the wonderful track time you will receive you can rest assured that your evening plans were taken into consideration as well.

This year we've decided to take the burden of making dinner plans off your plates so-to-speak. Included with your registration will be a TexMex dinner at the track Friday night complete with music and adult beverages. But the festivities don't stop there. Also included is the Saturday night awards banquet. All racers and DE drivers are invited to the Pebble Creek Country Club. A full bar and dinner is planned. There we will actually present a

different trophy this year but for you racers who would prefer our famous Boot trophies, we can accommodate you. Many of you who have attended our race in prior years already have a full set. Also our sponsors Momentum and Porsche West will have many door prizes. Full race suits and flip-flops are welcome! What better place is there for socializing and telling bald-faced lies about who is the better driver and how your "tires gave out"?

[Texas World Speedway](#) is a fantastic track with a rich history. The weekend will have four sprint races; Super Sprints will be on Saturday and Sunday, for the racers and six hours of track time for the DE folks. We guarantee everyone will leave with a smile and the proper usage of "Ya'll". Year after year this event grows in popularity and isn't one to be missed. After all,

It's not just the cars, it's the people!
